

Lexmark CS410 Series

CS410n/dn

Big features. Small footprint. Colour that's right on.

The Lexmark CS410 Series colour laser printer affordably delivers PANTONE® colour matching and smart print capabilities typically found only on higher-end systems. This powerhouse system gives you a competitive edge. Want to do 2-sided printing? Get the CS410dn. Want more capacity? Get the CS410dtn.

Brand-savvy colour. Brilliantly produced.

Talk about stunning. The Lexmark CS410 Series printer produces output so consistent, you can use it to print your branded materials in-house. It offers more convenience and control too.

Print complex documents fast: Print documents with graphics and images effortlessly with 256 MB of upgradeable memory and a fast dual-core processor.

Up to
30 ppm

Network

Direct USB

Professional colour matching: Lexmark Named Colour Replacement and PANTONE® calibration make it easy to develop a consistent brand image by accurately matching your colours.

High resolution graphics: With true up to 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent quality, too.

Super fast and quiet output: Power through projects with print speeds of up to 30 pages per minute in black and colour - plus produce a 1-page colour document in as little as 10 seconds.

Built to help you do more effortlessly.

Now it's even easier for your team to be more productive with our bright LCD colour display, convenient front USB port, large paper input capacity and more.

Reliable performance: Easily print up to 6,000 pages per month, plus enjoy fewer maintenance hassles, thanks to state-of-the-art paper handling.

Run larger jobs without interruption: With an input capacity of up to 1,450 sheets and high yield toner cartridge options, you won't have to add paper or change cartridges as often.

Easy-to-read control panel with number

pad: View and manage your print jobs using our bright 6 cm (2.4 inch) colour LCD display that's easy on the eyes.

Innovative toner that optimises

performance: Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Network intelligent. Management wise.

Quickly respond to changing business needs with our eco-friendly printers that streamline your workflow.

Print anytime and anywhere*: With this system, you can print from desktops as well as mobile devices that can run applications.

Better manage print jobs: Take advantage of smart functions like job waiting, custom messaging and programmable alerts.

Enjoy enterprise-level security: Now you can authenticate, authorise and audit employee usage. Plus, protect sensitive data using standard network security protocols.

Save resources and the planet: An instant warm-up fuser and built-in 2-sided printing** plus Quiet, Hibernate and Eco modes minimise noise and save paper and energy.

¹Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ²Recommended Monthly Page Volume[®] is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ³Maximum Monthly Duty Cycle[®] is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁵Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁶Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁷Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details.
